Unfortunately, I don't have an ecopy either. I just printed it off of the ftp site DEQ had set up for us to access the docs. I would scan my copy but I've made a lot of notes in the margins and underlines etc so its not a clean copy to share.

Allison and Don –

If you have an electronic copy of the guidance document and could let me download I'd appreciate that very much.

Thanks again

Hi Koto,

I checked and I do not have an electronic copy of OR DEQ's August 29 2011 Draft Guidance for TMDL Implementation Plan Development for Urban/Rural Residential Land Uses within the Coastal Zone Management Area or its appendices. I just printed it out.

I am cc'ing Allison and Don as they may have downloaded and kept an electronic copy. (Allison/Don--DEQ has a request for this document and the person holding the electronic copy is out of the office on medical leave until mid April or so). If so, I am sure they will email it to you or upload into some kind of ftp site so you can download.

I am so sorry.
